

“LET YOUR LIGHT SO SHINE”

BUILDING A DENTAL MISSION TEAM

The best leaders celebrate success by giving. Since 1994, Dr. Wade has donated his time and talent by leading regular dental mission trips, helping those who have limited – or no – access to quality dental care. Under his leadership, volunteer teams have provided a full range of dental services to hundreds of orphans in Ukraine. Planning a mission trip during the next year? Whether you are a dentist, assistant or hygienist, a veteran or novice, this course is for you! Bring your materials and get a jump-start on organizing your journey.

DR. WADE WILL DISCUSS EFFECTIVE WAYS TO:

- Identify a destination
- Build a team that works well together
- Acquire equipment
- Coordinate transportation
- Deal with customs officials
- Work with translators
- Thrive in a cross-cultural environment!

SUGGESTED PRESENTATION LENGTHS:

- Keynote
- Half Day program
